

## Examination Result

Exams are the way to test our knowledge. Without conducting the exams and test students don't concentrate in their studies and learn their lessons properly. Exams are necessary in universities, colleges and academies to find out the real skills, talents and knowledge of the students. All students are studying their lesson properly to get good marks in the test and exams, each and every student is interested in getting good marks in the exam and study hard to achieve it, without exam there is no chance to express about our knowledge, skills as well as our studying activity.

Here, Examinations are held as a comprehensive report about determined subject and a published scientific paper.

Subject of each comprehensive report is determined at end of the term.

Final acceptance of scientific papers passes this item.

Scientific papers must be published in indexed journals and conferences.
